PROFESSIONAL SUMMARY

- Experienced Full-stack Developer with 5 years in building and scaling web and mobile apps. Passionate about clean, efficient code and innovative solutions. Currently based in France and relocating to Bangkok to further my career in frontend and backend development.

EDUCATION

2019
Bachelor's Degree in Computer Science
Université Côte d'Azur – Nice, France

EXPERIENCE

2022 - 2024
Front-End Developer
Luxeol

- Built responsive web applications using React, Redux, and Node.js, improving client retention rates.
- Integrated third-party APIs and services to extend product functionalities.

2020 - 2022
Full-Stack Developper
Orange

- Developed and maintained large-scale web applications using React, Node.js, and PostgreSQL.
- Improved application performance by optimizing backend queries, reducing server response time by 35%.

2019 - 2020
Front-end Developer - Internship
SophiaTech Solutions

- Worked on frontend development with React and CSS, creating intuitive user interfaces for internal tools.
